DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on September 20, 2007, has been entered.
2. The Examiner has carefully considered Applicant's amendment and accompanying remarks filed April 5, 2007. In view of Applicant's response, the previously set forth rejections have been overcome. However, a 112, 2nd paragraph rejection is set forth below.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
4. Claims 15 and 55 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 15 and 55 depend upon independent claims that limit the reinforcing agents to fibrous materials. However, cellulose and lignin, which are taught in claims 15 and 55, cannot be considered fibrous reinforcing agents. It is suggested that Applicant delete these limitations from the claims.

Allowable Subject Matter

5. Claims 1, 4-6, 8, 10-12, 16-24, 27, 28, 51, 53, 54, 57, 58, 60, and 62-73 are allowed.
6. The following is a statement of reasons for the indication of allowable subject matter: no prior art was found to teach the claimed limitations set forth in independent claims 1, 51, and 60.
